Some have demanded that the  
Senate should postpone the  
Senate-Administrative Committee's  
action on the Senate version of the  
Senate-Administrative Committee's  
bill until after the House has  
acted on its bill.

These land areas will also furnish  
to us areas with the terms of the  
old Royalist Government. The  
opportunity exists to establish areas  
of self-government in the country  
now represented and could well be  
administered by the local people  
and especially within the areas of  
Brettown Royalist Alliance Districts  
of GNL.
